Visalia Livestock Market

Dear Friends and Valued Customers,

It's hard to believe that a year has already gone by and we are welcoming you once again to our 29th Annual Cattlemen's Select Bull Sale. As I have said before, I hold a lot of value in running good bulls with your cows in order to produce great calves. The old saying that you get what you pay for rings true with cattle as well as most things in life. A good bull should throw you a quality calf and in the end will hopefully mean more dollars in your pocket! Unlike other consignment sales we take pride in hand picking each bull. Not only do I travel to see the bull, I pick them by scouring over their numbers to make sure they check the boxes for you the producer. With that said, I am also picking bulls to fit different price ranges as well so everyone can get an opportunity to buy a bull that suits their program. I am pretty excited about this year's offering. We have some phenomenal bulls to sell and I look forward to seeing the calf crop they produce.

As always I would like to thank my crew for putting in the extra hours to make this event possible and the Tulare County CattleWomen for serving a great lunch. Also, a big thank you to Natalie Koopman of Zoetis for helping to sponsor the custom Cactus saddle that will go to the one lucky buyer at the conclusion of the sale.

If you have any questions or concerns, please do not hesitate to contact me. I am available 24/7/365. Marketing cattle is and will continue to be my passion, and for you I pledge the desire to work hard to bring you the returns that you deserve. On behalf of family and my VLM crew thank you for being here!

– Randy Baxley, 559-906-9760
